

BRING SCIENCE TO LIFE! A SCHMAHL SCIENCE WORKSHOP PRESENTS "SCIENCE EXPLORATIONS"

An Afterschool hands-on science club for 2nd - 5th grade Parkview Elementary School students.

Do your kids like to take things apart or put things together? Do they like to ask questions, investigate and try to find answers? Come join SSW as we embark on a series of hands-on science exploration workshops. Learn about Science and Engineering in a setting where kids are free to explore and investigate what interests them. We offer science workshops that have been kid-tested, parent and teacher approved.

DATES: Thursdays after school, starting Oct 2. **Please sign up for the Fall Science Series For Grades 2 - 5 by September 28.** Pre-registration is required.

TIME: 2:55-3:55 pm. Children must arrive and be picked up punctually.

PLACE: Cafeteria

COST: \$52/4-week session (Parkview offers limited need-based 50% fee reductions.)

INSTRUCTOR: All Workshops are conducted by fully trained and reliable SSW facilitators.

Workshops for Grades 2 -5: Cafeteria

Cool Science Fee: \$52 per student

Smash Labs: \$52 per student

- **October 2,9,16,23: COOL Science!** Dry ice rockets and fountains, homemade ice cream and CO₂ bubbles are just a few of the activities in this really COOL workshop series.
- **Oct 30, Nov 6, 13, 20: Smash Labs-** Hey Kids! Do you get in trouble for breaking things? Can you imagine a strange world where breaking things is not only accepted, but encouraged? Welcome to the alternate universe at Schmahl Smash Labs Workshops! Smash, bash & crash your way to learning about gravity, momentum, inertia, friction, aerodynamics, material & structural strengths!
